

SES 6th GRADE SUMMER READING 2017

Read *The Ultimate Gift* by Jim Stovall.

Read *The Kid Who Invented the Popsicle* by Don Wulffson.

Complete one book project on *The Ultimate Gift*.

For reading and science extra credit, read *Every Soul a Star* by Wendy Mass and take the AR test in the fall.

Book Project Choices

After reading *The Ultimate Gift*, choose **ONE** of the following projects to complete.

Make sure your project is labeled with your name, the book title and author.

Postcards- Design and produce a series of postcards using the different settings in the book. On one side draw an appropriate photo and on the other side compose a message from one of the characters. You should have at least six cards. Be sure to include descriptions of settings and characters that are appropriate based on what you have learned about the characters in the book.

Character Scrapbook- Compile a scrapbook for one of the main characters. Put together photos and items that represent special memories or events in the character's life. Write a short paragraph explaining the items and why they would be important to your character.

Journal Entries- Pretend you are one of the characters in the book. Journal entries should include the date, a summary of the day, and your feelings about what happened. An illustration for each entry should also be included. At least ten entries should be included.

Good Ole' Book Review- Write a book review. Include the following information: author, title, main idea and characters, your opinion of the book. Book reviews should be one page in length (handwritten neatly or typed).
