IXL Summer Math Plan - Rising 4th Grade

Name:

_____

Rising 4th-grade students have the opportunity to earn extra credit points of each quarter of their 4th-grade year if they…

1) Complete each section listed below with a score of 85% or higher
   a) If you are unsure how to work out the problems, watch the attached video of an example for the given section.
2) Hand in this completed log sheet on the **FIRST DAY OF SCHOOL**. I will not accept this late.
3) To access the problems
   a) Go to the school website and access IXL under the educational links tab
   b) Log in with your username and password (if you do not complete it under your account name, I will not see you completed it.
      i) Username -

      _____

      ii) Password -

      _____
